**AFFIDAVIT OF EDNA STEVENS**

**STATE OF MISSISSIPPI**

**COUNTY OF COPIAH**

COMES NOW, EDNA STEVENS, and, after first being duly sworn upon her oath,  
hereby states the following:

1. My name is Edna Stevens and I am an adult resident citizen of Copiah County, Mississippi.
2. I am the duly elected Circuit Clerk for Copiah County, Mississippi. I have personal knowledge of the matters set forth herein.
3. On July 7, 2014, representatives for the Cochran and McDaniel campaigns for U.S. Senate conducted a ballot box examination in my office pursuant to §23-15-911 of the Mississippi Code of 1972, Annotated.
4. On that same day, late in the afternoon, a person identifying herself as Jeanne Webb came to my office seeking information. A man was with her, whose name I did not get, but Ms. Webb is the one who communicated with me. At my request, she wrote out what she was requesting. A copy of that document is attached hereto.
5. Ms. Webb did not identify herself as being with True the Vote nor did the person with her. She stated in her written request that she was requesting

same as a private citizen and as a Public Information Request. No mention was made of the National Voter Registration Act by anyone.

6. I advised Ms. Webb that I had was just finished up with the ballot box examination by the campaigns and that I would need some time to get the information together. I advised that I would have to redact the dates of birth from the poll books—which I intended to do by covering same with a ruler or other object as the document was viewed page by page—and that the absentee ballot applications, absentee ballot request forms, and absentee ballot envelopes were sealed in ballot boxes pursuant to state law and that I could not open those boxes at the present time. The information in #2 of the request was not available in an electronic format at the time of the request because the computer work that “posts” everything was not yet finalized and I related this to Ms. Webb. I was and remain willing to provide this information after the posting was complete.
7. I called Ms. Webb at the number on her written request on July 9, 2014, and spoke to a female who answered the phone and replied in the affirmative that she was Ms. Webb. I had made a CD of the information in #1 of the written request and told her it was ready for pickup. I also advised her that I was now in a position to arrange a time for viewing the poll books. I also advised her that, while I could not open the ballot boxes, that I could provide her with a list of persons who voted absentee.
8. She stated that she didn’t want the information as she was headed home to Florida. The CD is still in my office. I did not make a CD of #2 because of the response of Ms. Webb but I was and remain willing to do so. I also was and remain willing to have Ms. Webb view the poll books with redacted dates of birth and to provide the list of absentee voters.
9. I have not heard any further from Ms. Webb concerning her request.

Further Affiant saith not.
